

This synopsis is being posted to both the Federal Business Opportunities (FBO) page located at <http://www.fbo.gov> and the Army Contracting Command-Aberdeen Proving Ground, Natick Contracting Division (ACC-APG, NCD) site located at <http://www3.natick.army.mil/Team/JE-RDAP-Solicitation.aspx>

While it is understood that FBO is a single point of entry for posting of synopsis and solicitations to the internet, ACC-APG, NCD is the alternative in case FBO is unavailable. Please feel free to use either site to access the information posted by the ACC-APG, NCD.

The ACC-APG, NCD on behalf of the Joint Program Executive Office for Chemical Biological Defense (JPEO-CBD) and its chartered Joint Project Manager (JPM's) intends to release a solicitation to procure, on a full and open competitive basis, an enterprise-wide contract vehicle supporting research and development of CBRNE Defense systems, equipment and material subject to and managed by the acquisition policies and guidance of the "Operation of the Defense Acquisition System" (DODI 5000.02) and production/procurement of these future developed CBRNE defense capabilities; the Joint Enterprise Research, Development, Acquisition and Production/Procurement Program (JE-RDAP). The JPEO-CBD "Enterprise-wide" activities encompass the DODI 5000.02 research, development, acquisition and production/procurement of: CBRNE Defense Systems, Equipment and Material (inclusive of Individual Protective Equipment, C/B Detectors, Collective Protection, Decontamination Systems /Decontaminants, Integration of CBRNE Defense Systems, Medical Devices (Diagnostics), Explosive Detection and Identification, Advanced Analytic Systems, Forensics and CB Elimination); CBRNE Information Systems providing correlated CBRNE hazard warning and reporting, Joint Effects assessment and Biosurveillance Portal, and; Radiological/Nuclear (RAD/NUC) Defense Systems supporting the warfighters' (users') air, ground and shipboard operations

The Government anticipates this solicitation will result in the award of multiple Indefinite Delivery/Indefinite Quantity (ID/IQ) contracts. Each ID/IQ contract will contain multiple CLIN types which may include Firm Fixed Price (FFP), Fixed Price Incentive Fee (FPIF), Fixed Price with Prospective Price Determination, Cost Plus Fixed Fee (CPFF) Cost Plus Incentive Fee (CPIF) and Cost to allow for issuance of JE-RDAP orders based on tailored Statements of Objectives (SOOs), Statements of Work (SOWs), or Performance Work Statements (PWSs), accommodating the nature of the RDAP activities as required. The overall ceiling of the JE-RDAP Contract is \$8.27B, which consists of one (1) ten (10) year base period. It is anticipated that the JE-RDAP orders issued under the base IDIQ contract may be extended for an additional five (5) year period of performance. JE-RDAP orders will be competed among and awarded to large and small business JE-RDAP Contract holders utilizing best value, trade-off or Lowest Price, Technically Acceptable (LPTA) procedures. The guaranteed minimum for the JE-RDAP contract is \$1,000 and will be issued during the first year of the contract period of performance. Proposals shall include a small business participation plan. There are multiple North American Industry Classification System (NAICS) codes that apply to this solicitation. JE-RDAP orders will be issued against one of the following applicable codes;

541511 – Custom Computer Programming Services with a small business size of \$27.5M;
541512 – Computer Systems Design Services with a small business size of \$27.5M;
541711 – Research and Development in Biotechnology with a small business size of 1,000 employees; or
541712 – Research and Development in Physical, Engineering and Life Sciences (except Biotechnology) with a small business size of 1,000 employees.

The Government currently estimates that the Request for Proposals (RFP) will be released on or about 1 September 2016, and proposals will be due 45 days after the RFP is released. The proposed solicitation number is W911QY-16-R-0010.

In order to be eligible for award, firms must be registered in the System for Award Management (SAM). Offeror may obtain information on registration in SAM by calling 1-866-606-8220, or via the Internet at <https://www.sam.gov>
