

## **Terms and conditions template for Bidder's Library usage**

Welcome to the Omnibus Program Engineering and Technical Support (OPETS) Bidders Library. By using this website, you are agreeing to comply with and be bound by the following terms and conditions of use, which together with our privacy policy govern the US Army Contracting Command, Aberdeen Proving Ground, Natick Contracting Division's relationship with you in relation to this website.

The term US Army Contracting Command, Aberdeen Proving Ground, Natick Contracting Division's or 'us' or 'we' refers to the owner of the website. The term 'you' refers to the user or viewer of our website.

### **The use of The Bidder's Library is subject to the following terms of use:**

The content of the pages of this website is for your information and use only. It is subject to change without notice.

Ensure the security of your password and do not disseminate it to others. This site is intended for the sole use of those authorized users registered and approved for use of the site by the Government. Unauthorized use is not allowed. Any unauthorized use, including the dissemination of login and password information to those without prior registration approval by the Government, may result in termination of the user's registration.

This site is created for the distribution of requirements to OPETS Multiple Award Contractors for the purposes of task order competitions. It is the Contractor's responsibility to regularly monitor this website for new and/or updated documents. This website may not be copied or reproduced in any manner without prior written consent from the Government. Only those with approved web site registrations may download document packages from the site.

From time to time this website may also include links to other websites. These links are provided for your convenience to provide further information. They do not signify that we endorse the website(s). We have no responsibility for the content of the linked website(s).
