

Certificate of Environmental Compliance (CEC)

This Certificate of Environmental Compliance shall be executed by the institution's official responsible for environmental compliance. The Council on Environmental Quality (CEQ) regulations (40 CFR 1500-1508) that implement the National Environmental Policy Act (PL 91-190, as amended) require all federal agencies to examine possible environmental consequences of their proposed and ongoing actions.

1. One CEC (this form) must be submitted for each site conducting research under the submitted research proposal. This includes all subcontractors.
2. If you have any questions concerning the generation or applicability of a CEC, please [e-mail](#) or call (301-619-2004) the USAMRMC Command Environmental Coordinator.

The offeror currently IS IS NOT (check appropriate category) in compliance with applicable national, state, and local environmental laws and regulations. (If not in compliance, attach details and evidence of approved mitigation measures.) The offeror has examined the activities encompassed within the proposed action for compliance with environmental laws and regulations. (Enter Proposal Title)

PRINCIPAL INVESTIGATOR:

The offeror states that the conduct of the proposed action:

1. WILL NOT violate any applicable national, state, or local environmental law or regulation, and
2. WILL NOT have a significant impact on the environment.

The offeror agrees that if the work required under the proposed action at any time results in a significant impact on the environment or a violation of any applicable environmental law or regulation, the offeror will immediately take appropriate action, to include notifying and/or coordinating with the appropriate regulatory agencies as required by law and notifying the Grants Officer.
